

Career Pathways to Success 2026

REAL ESTATE APPRAISAL & VALUATION

PRESENTED BY THE NATIONAL SOCIETY OF REAL ESTATE APPRAISERS

Invitation to Donate & Partner

The National Society of Real Estate Appraisers (NSREA) is a 501(c)(3) nonprofit organization dedicated to expanding awareness of appraisal and valuation careers among students and underserved communities. Through scholarships, mentorship, and educational outreach, we develop the next generation of valuation professionals across multiple disciplines.

ABOUT THE 2026 CONFERENCE

The Career Pathways to Success 2026 at Savannah State University will introduce participants to careers in residential and commercial real estate appraisal, business valuation, fine art and antiques, personal property, and equipment valuation. The event also welcomes members of the military community transitioning out of active service, providing a professional on-ramp into the valuation industry for those seeking meaningful post-military careers.
